COLUMBIA VICTORY AND DEFEAT.

Vineyard Haven, (Mass.), Aug. 10.—The old Defender practically won a race against Columbia to day, if time allowance was given, in the dirtiest sort of weather for yacht club cruise. But the victory, it must be admitted, was more than well earned and the yachtsmen of the New York Club and their guests never saw before, and may not see again for years, such a sailing event.

To-day's race and the performance of Columbia was satisfactory on the score of heavy weather. She took all that came, and while eased up several times, that was no evidence that she would have had too much of a good thing if a stake were pending on the outcome of the race.

Newport, (R. I.), August 14.—Columbia added another victory to her already splendid record to-day by defeating Defender 13 minutes 7 seconds over a thirty-eight mile course.

Columbia sailed a splendid race and showed that in light air she is many minutes faster than Defender. On every leg of the course she made gains over Defender, and this was more noticeable on the first leg, which was a spinnaker run of 13 1/2 miles. On the second leg, which promised to be at the outset a dead heat to windward of eighteen miles, Columbia showed again that she could both outfoot and outpoint the older boat.

Philippine Idea of Overthrow

Washington, August 10.—The following cablegram has been received from General Otis:

"Manila, August 11.—Adjutant-General, Washington: Have captured letters of a high insurgent authority exhorting the inhabitants to hold out a little longer; that European recognition will be granted by August 31st and that the present United States Administration will be overthrown. OTIS."

Victoria, B. C., Aug. 11.—News has reached here from Sydney, at which port it was reported by the Currier liner Argus of the theft of a box of gold from the steamer Koningin Regente—a robbery similar to that which occurred on the steamer Alameda.

## ON COMING BOAT RACES

The boat clubs are making active preparations for the championship races at Pearl Harbor on September 9.

The Myrtle crews leave the city with their boats and everything necessary by the afternoon train today. They will go into quarters at the old stand.

Friday next Guy Gere and assistants will go to Pearl Harbor to stake out the course for the championship races. The flags marking the course will be placed at every quarter of a mile.

The program for Regatta Day is now being considered by the Regatta Committee, and will probably follow very closely the program of last year, that turned out so successfully.

T. J. King and Captain Campbell will be authorized to solicit subscriptions to defray the expenses of the day. They have this work well in hand, and will make a success of it this year, as they did in 1898.

The Rowing Association will meet next week to appoint judges for the Championship races at Pearl Harbor. As in previous years, one man will be chosen from each of the three clubs.
